

A Design for Life: Manic Street Preachers

**A DESIGN FOR LIFE**  
**Sung by The Manic Street Preachers**

A design for life (x4)

A design for life (x4)

A design for life (x4)

And we are not allowed to spend  
And we are not allowed to spend  
And we are not allowed to spend

As we are told that this is the end  
As we are told that this is the end  
As we are told that this is the end

I wish I had a bottle  
I wish I had a bottle

Libraries gave us power

Right here in my dirty face to wear the scars  
Right here in my pretty face to wear the scars

Then work came and made us free  
To show from where I came  
To show from where I came

We don't talk about love,  
We don't talk about love,  
We don't talk about love,

We only want to get drunk  
We only want to get drunk  
We only want to get drunk

What price now for a shallow piece of dignity
